Lotus flower river song,
Temple chimes the night long –
One to pay whatever price,
Forgive transgressions make the sacrifice.

Better than diamond necklace earrings,
Sparkling love this savior brings –
Rainy days heavens adore,
Visions of the promised shore.

Crosses rooms more like dances,
Mysterious her circumstances –
Intuitive mind musical heart,
Fairy dust healing arts.

Vivid rainbow heroic life,
In a time of toil and strife –
Job description: earthling reporter,
Sign reader narrative sorter.
