Silver mist filled valleys tame,
Early spring just after rain –
Sparkling globes tahitian pearls,
Web woven daybreak world.

Possibilities course through your blood,
Invoking distant summer buds –
Courage to be the first to dance,
Intro forgiveness to circumstance.

Actively engaged in new earthmaking,
On the beach eternity breaking –
Teardrops part your story tell,
Quenching legendary fires of hell.

Depends on what you decide is real,
Dreams hopes prayers unseal –
Happenable for the childrens sakes,
Concrete effort all it takes.
