New Mexico Beijing Trinidad,
Earthling character not all bad –
Jupiter's wisdom Venusian sense,
Endless seas of recompense.

Garden seedling breaking ground,
Delicate tendrils wrapping round,
Everybody calling every way allowed –
Cats elephants clouds stray dogs.

Sign maker nest builder,
Butterfly lighting or maybe wilder –
Oirt deep roots logical brain,
Longed for road lily come again.

Saturn sent you a special gift,
Silver mirror moon adrift,
Second hand 'twas Magritte's palette –
Whatever might you make of it.
