Morning soft mountain meadow,
Night retreating into shadow,
Pathway grasses pearl strewn –
Hard cold logic fiery moon.

Adaptive spirit skilled hands,
Flowing narratives warm motherlands –
Loving family an eternal imaginary,
Home a living galactic estuary.

Complex post-modern espresso talk,
Long hours hard work ticking clocks –
Sorbonne streets veiled in fog,
Black coral diamond dialogue.

Nestkeeper direct and sweet,
Where storytelling and make real meet –
Carved in the gate bleached by the sun,
Be yourself/rule number one.
