Lavender mauve and burgundy roam,  
The walls, the ceiling of your home –  
Touches emphasize your practicality,  
Musical sensual actuality.

If ever an exquisite cook there were –  
Innovative recipes forever astir,  
Farm, ocean, earthly sweet,  
Tempting chocolate strawberry treats.

And in your garden of ever more –  
Butterflies, flowers, color galore,  
Everyone of you so fond,  
Just look see how all respond.

Of course it's not always easy,  
Times enough to make one crazy –  
Find the strength to see it through,  
Intuitively you know it's true.
