FURROWED hills gleaming plowshares,  
Washline sheets morning air,  
Smell of babies breath of earth –  
Sweet the moment of your birth.

FOREST ferns uncurling fronds,  
Frogs waking lily pad ponds,  
Roadside milkweed taking root –  
Song bird answers wayward flute.

READS voices interprets canvasses,  
Wishes he had rose colored glasses –  
Logical careful compassionate practical,  
Key is making ideals actual.

GARDEN notion seedling MIRROR,  
Teaching overcome our fears –  
Planet with some serious needs,  
Real get down concrete deeds.
