Focused practical down to earth,
Entangled roots rosebud birth –
Nothing deters no words interfere,
Holy celebration of being here.

All day listening house finch singing,
Loving the wonders a gardens bringing –
Engaging heaven near and far,
Wishing on the morning star.

Subtle fragrances strawberry lands,
Apple blossoms at home in your hand –
Linen silk plum velvet suits,
Dark chocolate sweet salutes.

Price is high you're asked to pay,
Break open the shell a brand new day –
Recurrent weeds memories that cry,
Altruism your answer love is why.
