
Many-skilled magic fairywinged,
Books text messages turquoise rings –
Leaving signs in daisy fields,
Encrypted passages broken seals.

Writer traveler springtime lover,
Communicative talkative cover to cover –
Drawn to the beginnings of chapters,
Anything can happen forever afters.

Storyteller adaptive heart,
Blue skies drifting clouds sunshine part,
Dialoguing partner to be with –
Outside the systems transcending myth.

To see the wished for / never been,
What you want come true in the end –
Going to take determination,
Long nights dependability dedication.
