She begins each day all new,  
Possibilities to live up to –  
Enchanted earthling spring inspired,  
Practically sensually hard wired.

Passionate dramatic addicted to music,  
Silk and taffeta inexplicably magic –  
Touches your hand unaffected voice,  
Love is always her first choice.

Three bright sides one delicate dark,  
A thousand ways to make a spark –  
Sugar cinnamon apricot pie,  
Secret recipes she likes to try.

Left the gate more than half open,  
Not one promise ever broken –  
Worlds been assuming selfishness,  
Will you help clean up the mess?
