

A **

Oistant mountains aubergine,
Winter thunder voice filled dream –
Teenage energy childhood eyes,
Strong magical sacred wise.

Owls crickets gather round,
Yours and their hearts feeling bound –
Lakeside forest campfire friend,
Now and up around the bend.

On-going goals non-stop visions,
Even into blizzard conditions,
Late night radio Wyoming station –
Long way from your destination.

Roadway disappears in cloud,
Taking us where loves allowed,
Warning sign bout the difficulty –
Test your resolves how it will be.
