Midnight hour the masquerade,
Anticipated moment the grand charade,
Nothing remaining what it seemed –
Cinderella hurry home scene.

Nowhere to hide your feelings show,
Romantic subconscious river slow –
Scarlet leaves shadows trees,
Magic summer memories.

Venus gave you aesthetic sense,
A love of fairness present tense –
The moon leadership if you recall,
The firebird enchanting all.

To move the world divinely inspired,
Now in Act II what's required –
A patient assertiveness an evolution,
Enlightened clear articulate solutions.
