hER life in truths a bit MYSTERIOUS,  
Deeply dramatic reliably SERIOUS –  
To her friends a PRECIOUS PEARL,  
Responsibility and devotion SWIRLED.

DAYS wrapped in living coincidence,  
Ribbons dreams fairytale precedents –  
Inevitably finds what she's looking for,  
Hand holding memories island shores.

LACY lightning autumn skies,  
Enchanting trustful open eyes –  
Silent teardrops joy and laughter,  
Candlelight dinners forever afters.

hIDDEN strength a night RIVER,  
Shooting star from heavens quiver –  
A world of opportunity to turn your key,  
Bring us peace and harmony.
