

K ****

FROSTED fallen Autumn leaves,
On time's loom her story weaves,
A high hawk's soaring confidence –
A wise woman in Earthly residence.

DRAMATIC, poised and SERIOUS,
Quantum mechanical magic and CURIOUS –
Taking on challenges, persevering,
Even at the hard parts nearing.

SEARCHES ROOTS, figures DIRECTIONS,
DRAWS conclusions from INTROSPECTIONS –
Friends in the woods, friends in the tower,
Friends forever and in every hour.

NOW the lavender HORIZON RISES,
Cats, dogs and horses, no end to SURPRISES,
As she steps from the deepest shadows –
Hope she's clear about the vision she follows.
