Which leaf scattered path follow you down?
What blushing carpet bring you round?
Everytime you meet our eye –
Enough to make an angel sigh.

Overdetermined love of the stage,
Honest and fair from an early age –
Self-reflective you know its true,
Whoever you decide to do.

Balance justice spiritual yearning,
Limitless on-going heavenly learning –
Voltaireian mind river soul,
Dramatic emotional passionate whole.

Would the world your peaceful attitude,
Prioritize equality respect gratitude –
What you make real this incarnation,
The children pray be their salvation.
