

CURTAINS up and center stage,
STAR, dreamer, real live sage,
SURROUNDED by a thousand signs –
EVERYONE saying heavy duty times.

SETTING sun on mountain lake,
PAINTED pathway crimson wake,
PINE TREES whispering personally blessed,
EVERYONE he meets he treats as guest.

INSIGHTFUL mind, quick witted thought,
OBVIOUSLY someone owls taught –
TURBO-CHARGED with magic friends,
WAYS of seeing round next bends.

ALWAYS direct and right on track –
REMEMBER now that care and tact,
TO undo every turn and twist,
THE smallest details never missed.
