Now the picture whispers complete,  
Magical truthful touch of sweet,  
Alive awake dreaming free –  
Gathering who you came to be.

Smooth easy vineyard pace,  
Peace loving honest face –  
Dialoging with her worlds,  
Voices moments universe swirls.

Judge jury intelligent designer,  
Careful secret name assigner –  
Into conceiving the final volume,  
Full orchestra palette of autumn.

Saturn meanwhile wondering who...  
Wait a second you could do –  
Someone who might make things clear,  
Teach us love to overcome fear.
