Golden fields childhood skies,
Returning goodness undisguised –
Evening begins end of day,
Peace a grain of sand away.

On the balcony imaginary hour,
Impressive presence creative power –
Fulfilling time makes the world complete,
Means and ends insists will meet.

honest balanced formidable intelligence,
Clear about feelings romantic elegance –
Fierce assertive quiet within moments,
Thorough thoughtful new kind of judgments.

Beyond opinion what really matters,
Saturn states above the clatter –
Need to define just why we're here,
Have to decide for love or fear.
