

# Catharine

Olive trees in dark'ning autumn,  
The moon and other longings spun –  
Endless fields scarlet light,  
Grace charm swallows flight.

Unfolding drama poetic progression,  
Feeling reason compassion discretion –  
Free spirit in post-modernity,  
Hosting viewpoints admitting mystery.

honest fair peace loving choices,  
Aethera you've a thousand voices –  
Multi-dimensional microtheatrical,  
Elegant hint of asymmetrical.

Enchanting complex flowing picture,  
Sign system sacred ocean mixture –  
Saturn hopes you'll be ever more clear,  
About the dreams you wish were here.
