From the beginning called to court,  
Easy going cooperative sort –  
Oid truth shelter honesty raise,  
Equality unfold your caring ways?

Face reader adept with signs,  
Living dream seeing rhyme –  
What Sartre named condemned to be free,  
Invested with mornings possibility.

Imagines a place so inclined toward peace,  
All things new west to east,  
Time we wished for often prayed –  
Where no one e'er feels afraid.

Vedic mountaintops egoism bends,  
Harmony begins kindergarten ends –  
Preferring fulfillment angels said,  
To games men play and watch instead.
