Mysteriously spirited subjectivity,
Wholy emergent creativity –
Born from a swirl of sparkling dust,
Wild harmony and soulful trust.

Lavender hills, twilight skies,
Enchanting rhythms deep surprise –
Sees both sides of the story friend,
Peace on Earth around the next bend.

Intelligent poised and dignified,
Seeking equality uncompromised –
Joy and Freedom set her sails,
Past the coast of fairytales.

If she remembers she's made of magic,
Creates of a drama leaning tragic,
A narrative ending happily –
A dream to match Eternity.
