Autumn rain stirring thunder,  
Soft lightning uncommon wonder –  
Mysterious strong theme dramatic,  
Rustling leaves kind of magic.

Stillness as when the lake a mirror,  
Moments when the stars draw nearer,  
Thoughts for which we have no words –  
Protector of nest-fallen baby birds.

Best of all a real big brother,  
Lifelong family supportive lover,  
Patient careful timeless new –  
Just can't find a label for you.

In the kitchen on the stage,  
Growing responsible coming of age –  
Can you hear the Earth her song,  
Flowers chorus you belong.
