All he knew the children were needing,
Too honest to deny their cries the bleeding,
OR maybe it was SIRIUS moved him –
However he got out there on that limb.

Balancing issues judging narratives,
Living connections transcending imperatives,
When false proves false and true comes true –
MARS always urging try something new.

High in a treetop a hawk observed,
A human dignity personal reserve,
A cause a love straight and narrow –
Competence goals actions that follow.

h
Harmony and Justice were still abed,
Peace too so the herald up and said –
This the garden this incarnation,
Your nests as good as its foundation.
