STORY SIMILAR TO ONE BEFORE,  
At the end an opening door,  
Choir humming cello pure –  
Mountain vision dream allure.

Mysterious logic magically timed,  
Heartfelt coincidence resonant signs –  
Equality fairness universal wishes,  
Enchanting earrings long hard kisses.

Dramatic moments Mars alleges,  
Delicate balance moral edges,  
Learning right undoing wrong –  
Something from nothing all along.

If sun emerges from behind the clouds,  
Freedom no microtheatre ever allowed –  
Saturn votes you take the lead,  
Defining clarifying loves true needs.
