AIR born wishes cottonwood seeds,  
Lawyers jury even judge now pleads –  
Peace on Earth Love for everyone,  
Phase change the moments come.

Heart of freedom river minded,  
However tight you can unwind it –  
Enchanted balanced reaching for fairness,  
Poetic justice unending kindness.

Secretive dramatic graceful blest,  
Hard at work acing every test –  
From the twilights last gleaming,  
To apparitions and their meaning.

Walls in front mountains behind,  
You're strong enough no need to remind –  
Looks like this night goes on forever,  
Time for the dream long branded never.
