Appearing at the evening reception,  
Summer rain candlecent perfection –  
Spotlights shadows soft Gymnopédies,  
Silver framed modern realities.

Crowded rooms marble floor,  
Warming hands sheltering shore –  
Way too honest to presume,  
Courtship authored by the moon.

Sights contexts describes facts,  
Interests her what the picture lacks –  
Knows the categories inside out,  
And what the arguings all about.

Rose quartz careful mindedness,  
Venus o'r sea of incomprehendedness,  
Eyes of watchful meadow deer –  
Need you now unequivocally clear.
