Silver of moon ink drawn branches,  
Crazy set of circumstances –  
Careful with his tender heart,  
Autumn almost magic art.

Lined up folded perfect corners,  
Analytical critical unflinching order –  
Cooperative patient awesome timing,  
Loneliness then everything rhyming.

Suitcase organized polished tracks,  
Practiced prepared digs the facts –  
Worry wonder heavenly twists,  
Knows how you feel at a time like this.

Motherly firm confident persuasive,  
Multi-dimensional wholly pervasive –  
When you see the world a living stage,  
Curtains rising another age.
