Never a dream like this before
Rose petal carpet sky blue door –
Lupine flowers in perfect rows,
Places only Mozart goes.

Secret forest enchanted path,
One part magic two parts math –
Mysterious charms intellectual flare,
Organized patient personifies care.

Modern details classic design,
Brought together in mosaic time –
Language scholar narrative unraveler,
Textbook hero historic traveler.

happening upon a complex passage,
With all the skills for a needed message –
Comes down to it we hope you decide,
Pay the price dry the tears we've cried.
