Blue skies soft floating clouds,
Eyes a moment magic allowed –
Sacred spaces favorite time,
New earth new heaven rhyme.

Intellectual and circumspect,
Heart and soul opting perfect –
Justice bent mistake mender,
Debt ender life tender.

Waiting there where angels go,
Or shadows when they want to know –
The story beyond whats being told,
How free being of bought and sold.

If moment to moment the awareness,
Goodness nevers without fairness,
Keep it honest maintain balance –
Cascade of miracle a real chance.
