Quiet waiting soaring dips –  
Sweet existential introspection,  
Crazed desire pursuing perfection.

Takes special care her loving nest,  
Heart in search of the very best –  
Deconstructing encrypted codes,  
Stardust pathways mapless roads.

One who couldn't not be worried –  
Analytical mind multi-storied,  
Patient nurturing assetive supporting,  
Firm definitive comforting.

The worlds so been missing you,  
No one else around can do –  
Equality and justice got held up,  
Honesty directory went corrupt.
