Knew something really mattered –  
Animal family sunset gathered,  
Reads walls world speaks,  
Secrets whisper wonder peeks.

Cooks cleans caring strong,  
Loves dreams mothersong –  
Critical thinker lighthouse helper,  
Keeper provider giving shelter.

Knows measures caterpillars take,  
Summer nights swan lake –  
Time in metres stellar dust,  
Play his role only must.

Unencrypted the message read –  
If you wish would be instead,  
Everything heavens ever meant,  
In a package moonlight sent.
