MURMUR of fog a morning meadow,
Faded edge a forest shadow,
Beneath the redwoods amongst the ferns –
Carefully steps pauses turns.

Elegance subtlety every room –
Lace curtains porcelain moon,
Paintings wood floor immaculate place,
Forget-me-nots Japanese vase.

LOVING mothers worried heart,
Perfectly playing each note role part –
Analyzes synthesizes extrapolates,
Patiently waiting at orchard's gate.

SATURN'S actually your lucky star –
Be yourself just who you are,
Conceiving organizing understanding,
Child nurturing consciousness raising.
