Ivory stationery rose petal script,
Fragrant envelope nothing skipped –
In the dark be with you letter,
Invitation dream together.

Offering companionship shared pleasure,
Spiral galaxy's evolving treasure –
Quiet moment high mountain meadows,
Cascading laughter calls and echoes.

Cooperative critical careful modest,
Archetypal welcomed guest –
Gracious responsible without disguise,
Aiming for perfect tell in her eyes.

Act II Scene One not even past,
Jurassic world where wealths amassed –
Can't raise the curtain on what matters,
Without the ground beneath our chatter.
