hOUR by hour at her loom
MORNING evening afternoon –
UNRAVELING threads TAKING TAPESTRIES APART,
REDOING everything PERFECTIONIST heart.

Focused on details PURSUING ideals,
EXQUISITE well planned FOUR COURSE meals –
PATIENT soul NURTURING careful,
INTO a different kind of PRAYERFUL.

EXCHANGING PATTERNS FOR ATTITUDES,
MISCONCEPTIONS coming unglued –
THINKING TO FREE US FROM OUR CHAINS,
SOMEDAY TO SPEAK OUR REAL NAMES.

OUTSIDE the window winds picking up,
HER kind of loves never abrupt –
NON-COMPETITIVE COOPERATIVE ways,
IF ONLY she will have her say.
