ARRIVING fold of eternity,
Spiral edge winged infinity,
Self-similar to his mother earth –
Nestkeeper immeasurable worth.

Neither intelligence nor analysis lack,
Aware the worrisome present track,
Patiently organizing gathering his case –
Putting every little piece in place.

Secret keeper enlightened dramatic,
Advanced education axiomatic –
Magic storyteller underneath,
Convolution Venus helped reach.

Lots of help with your greatest challenge,
Head and heart like to arrange –
All things sorted into single file,
Sand hill bound to spill in awhile.
