Crawled from the sea took to the air,  
Crossing wheat fields heavens fare –  
Choosing the path all hearts desire,  
Reaching the end of hanging fire.

Gavel cracks courtroom thunders,  
Entangled narratives enfolding wonder –  
Scholarship edited mystery steeped,  
World wide microtheatres deep.

Balanced organized radically honest,  
Friend of species dispossessed –  
Searching a way to scale walls,  
Answer to the voice that calls.

Saturn notes for truth harmonious,  
Systems in lockdown games betray us –  
Competition won't imagine the dove,  
One measures freedom capacity for love.
