

curfew

clouds, raindrops, falling petals
Nuclear Weaponry, the Climate Crisis, gross Inequity
 corrupt politicians, canalized media, a disinformed public
war, oceanic degradation
Human population, dwindling resources
at the edge of Chaos Order can happen

can begin in Microtheatres. Minds.
agents question the failing Pathway
sort through possibilities
 alternatives to get-for-yourself
imagining a better World
because — Who-we-are

it's the freedom that democracy delivers
enables us to translate our Ideas
 into institutional forms and practice;
inspires the not unknown but strange
 unexpected moments of politeness and altruism
 unpredictable outbreak of mega philanthropy
the Wealthy and Powerful moving to heal the Earth

in the eyes of the Planet
we're teenagers
creating the emergent pattern
 in an impossible love affair
 way past holding hands
was there something you wanted to say
or do
the hour is getting late
