

David

APRICOT clouds / lavender sky,
MORNINGS that electrify –
ADVANCE the hour willful as Spring,
NO telling what the day might bring.

INCLINED to go with, “worth a try,”
POSSIBILITIES make an angel sigh –
INTUITIVE / motivated / a chorus of voices,
IRREVOCABLY ASSERTIVE / sapphire choices.

BEGINNING things / creating quests,
EARTH’S newly hired bricoleur guest –
NON-stop through late afternoon,
LAVA minded / Romantic moon.

FOR more than a glimpse of heaven in time,
CLOTH napkins / wood tables / love divine –
REMEMBER if ever a door is shut,
TRY making it real compared to what.
