

Emma

Imagine the falcon hear her love,
The center hold words rise above –
Morning like none known before,
Memory sown mythic shore.

Seagulls waves Andromeda call,
Add to message tidemarks scrawl –
Sands erase slow summer steps,
Yours the treasure friendship kept.

Steady burning springtime desire,
Pink chrysanthemum quiet fire –
Altruistic / forgiving / beginnings spark,
Someone ancestors forged from dark.

Shells / pebbles / questions why,
Sea breeze Jamaican sky –
Undaunted the moment you draw near,
Keep persisting / persevere.
