

Jim

In a Time Galaxies live for,
Garden Species at Eternity's door –
Responsible Earthling warm-blooded Spirit,
Been to the mountaintop or very near it.

Trustworthy, intuitive, practical,
Touch unpredictable, wholly reliable –
Hot-out-of-the-oven fresh-baked bread,
Melted butter honey over spread.

Cosmological Strings musical Beginnings,
Hardworking, persevering, Prayer for unending –
Roots, Desire, nothing can measure what's at stake,
The difference this nighttime that You make.

In a Kafka moment treacherous turn,
The question is, what lesson not learned –
Leadership is needed, the options made clear,
The Self-as-Separate error,
OR One Another held dear.
