

Katryna

Embroidered tablecloth turquoise threads,
Fragrant coffee/oven fresh bread –
Dog sleeping on the floor,
Friend with flowers at the door.

Poised/practical/radically honest,
Tenacious about her timeless quest –
Balances news with self-aware,
Edenic relationships/iris care.

Bees made the honey/happy cows butter,
Fern and foxglove/vase like no other –
Immersed in what a moment's worth,
Buds swell/shoots reach from Earth.

Mother knows you're worried for her,
Deer and wild things and Science concur –
One point all in agreement here,
Serious problems/reasons to fear.
