At the door from the start,
Never before once again heart,
Possibilities surge unending –
Dragonfly waterlily tending.

Familiar with spring's night sounds,
Melting snowflake turn arounds,
Enthusiasm righting wrongs –
Spectacular beginnings holding on.

Never late the early hour,
Japanese vase table flower –
Passages violins measure,
Falling stars heavenly pleasure.

A new recipe living surprise,
You can see it in her eyes –
Always ever loved to dance,
World spinning out of circumstance.
