Energized Spirited enthusiastic Earthling,
It's for you the flowers sing –
Morning minded forward moving,
Springtime garden ever improving.

Stellar host perfect guest,
Unstoppable kindness unsubtly blest,
Possibilities outnumbering stars –
Ways she treasures where we are.

If it can be done at all you will,
Easy for you not to keep still –
Sparkling opal expectation,
Round the campfire conversation.

Now it's time for a bit of business,
Ten thousand centuries comes down to this –
Your best dreams turn into real,
If show the world just how you feel.
