

MATS

From chrysalis with wings still wet,
Quickening before summer forget –
Clutter and possibility intertwine,
Element frightening signature sublime.

Morning sunlight wedding rain,
Identity creating that untames –
Intuitive mercury well remembers,
Messianic urgings glowing embers.

Decisions fast patience long,
Perfecting details correcting wrongs,
Enthusiastic joyous pivotal context –
Unpredictable what happens next.

Moon in shadows rings of saturn,
Self emergent entangled patterns –
Now at issue summarily,
Where our home who our family.
