Night melts lavender turns peach,
Ground stirs root hairs reach,
Dew on velvet magnolia open –
Nests wake mornings broken.

Meadowlark enchants rusting fence,
Swale grass/lupine/innocence –
In silhouette across the field,
Heaven on earth a moment kneeled.

hAnds dirty works to the bone,
Pushing up rocks rolling stone –
Intuitive practical/dragon mind,
Centered/embedded/comes unsigned.

Past the crossroads down the lane,
Warmth as follows soft spring rain –
What risk/what price/what length not go,
Save this miracle wonder grow.
