Glacier melting mountain stream,
Pine scented forest dream –
Soul of sweetness / eye for possible,
Garden song dragonfly improbable.

Stained glass window / street corner light,
Sustained thunder shattering night –
In the shadows winters ending,
Apple orchard blooms beginning.

Crystal / silver / clay tableware,
Candlelight crème brûlée affair –
Steadfast compassionate careful pragmatic,
Radical earth child / Messianic.

Networked body open mind,
Task to make the world more kind –
Oom draws near yet not too late,
Your helps needed with the gate.
