

Sandy

Her loving presence never fails,
Draws back heavens garden veil –
Apple valley orchard bloom,
Petal showers summer moon.

She and Venus since early morning,
Dreams / worlds / possibilities borning –
Enthusiasm springtime lives,
Rock solid intuitive.

Evening paints the lavender clouds,
Apricot shades logic allowed –
Knows the rivers ragged edge,
A helping hand times troubled ledge.

Her story hinges on the concept “truth,”
Notions visions treasures from youth –
None more fundamental than Equality,
Whose key whose password: “honesty.”
