**D**istant valley evening bells,  
Down to Earth, Heaven tells –  
Sensitive friend, caring heart,  
Nurturing / patient / deep rooted part.

**P**erfect notes / sculpted words,  
Communing with plants, animals, birds –  
Bread from the oven, honey from bees,  
Stoneware setting, blueberry cheese.

**R**emembering glances / moments for hours,  
Craggy cliffside wild flowers –  
Reason, dialogue, thread through it all,  
Answering the Planet's crisis call.

**C**onsider the story Saturn suggests,  
And the Garden herself whispers her guest –  
Practically speaking it's now about Truth,  
Equality, Justice, the Voting Booth.
