**M**oon full on waters quivering,  
Soft the mists valleys delivering –  
Nurturing sheltering loving arms,  
Open secret magic charms.

**T**hinks things through / does all she can,  
Motherly firm adjustable plans –  
Forgiving / sacrificing / teachers' mode,  
Helping others with their load.

**R**espects / listens / remembers faces,  
Knows earth's hurting many places –  
Emerging from the happenstance,  
Rivers patience / holocene dance.

**h**arboring another world in mind,  
The child caring woman safe kind –  
Tomorrow'll be different if left to her,  
Wiggles her wing / galaxies stir.
