Lilies plead cranes confide,  
Lupine call from long the roadside,  
Summer porch house finch jazz –  
Charm a special evening has.

Reserved confident honest true,  
Sacred presence shining through –  
Waiting sunsets forest lakes,  
Lingering vortices quiet wakes.

Moon rains down shoreline bends,  
Fixes broken hurting mends,  
Spotless makes the looking glass –  
Barefoot steps dew laden grass.

If healing choose to be about,  
For a world sick inside out –  
Let go / forgive / sacrifice,  
Full deliverance full price.
