

Audrey

Mango sunset summer night,
Flower garden full moon light –
Penelope on the balcony waits,
Pachelbel breeze Picasso paints.

Ribbons clouds winds aloft,
White jade earrings petal soft –
Assertive modest worries cares,
Loves as only iris dare.

Cooperative helpful calming glow,
Crystal clear shifting shadow –
Turning assumptions upside down,
Earths descendant heavens ground.

Leadership saturn timely comments,
With a note of encouragement –
May you choose define create,
A world as kind as your heart great.
